

bangles and choose their favourites. There's a great photo of some children wearing armfuls of bangles!

Parent Help will be starting this term. Parent Help provides an opportunity for you to be part of the Kinder program with your child. No particular experience or talents are necessary, just come along and enjoy! Please add your name to the roster next to the diary basket if you are able to participate.

With this letter you might be receiving a drawing of a cat. These drawings were completed as part of library time and used in a display last term. I'm sure that you will enjoy the works.

We are collecting polystyrene meat trays to have on hand in the studio for the Kinders. I won't say any more about "why" at this stage, but Mrs Burrell and I have been discussing just where a budding interest might progress to, and would like to have on hand just what we will need to further the children's interest and creative expression.

Until next time

Best wishes
