As you are aware your daughter is involved in Year 9/10 Drama this year. The production we are currently rehearsing is *Exit The King*; an absurdist drama by Eugene Ionesco translated by Geoffrey Rush. The Production will be performed on October 18th and 19th, Term Three, the week of the Hobart Show long weekend. Over this rehearsal period your daughter is required at some out of school hours rehearsals. I appreciate your support in getting your daughter to these very important sessions. Attached is the rehearsal schedule as it stands at 22/8/11. Some food and clothing requirements for each rehearsal and are written above the timetable. Thank you very much for your support in this process.

I am also writing to ask for your help and expertise. I have designed a set for the production that requires some building to be done. Very basically, it is two walls and a raised stage area. If you or someone you know could help with any of the following; the material pick up and delivery; construction; painting; general working bee odd jobs, it would be great to have your help. I intend to build the set over the weekend of September 10th and 11th (which is the second weekend of the term two break) from 10.00am till 4.00pm. If you are able to help with this, your expressions of interest can be noted below and brought back to school with your daughter. We are also on a very tight budget so any help in that regard would also be much appreciated.

Thank you again for your time and support and I look forward to seeing you "in the foyer".

Regards,

Jane Hamilton-Foster
