

Senior School Mathematics-Science Teacher

Position Description

This is an ideal position for a teacher who has an academic background in Maths and Science to join this unique school for girls. An ability to teach Mathematics to TCE level would be an advantage.

Reports to: Head of Mathematics and Science

Responsibilities:

- Be responsible for the delivery of relevant Maths and Science curriculum in secondary years.
- Contribute to assessment and reporting in collaboration with the Curriculum Co-ordinator and Head of Mathematics and Science to determine appropriate procedures that reflect the learning experiences of the students.
- Participate in Fahan's Pastoral Care Programme as a tutor.
- Be actively involved in the School's extra curricular programme.
- Actively promote the concept of, and participate in activities related to, the development of the "whole child" for all students.
- Support the integration of appropriate ICT resources to enhance the learning of girls in this subject domain.
- Maintenance of high standards of personal and professional conduct.
- And any other tasks as appropriate.

DETAILS REQUIRED OF APPLICANTS FOR THE POSITION

The applicant is asked to provide the following information:

1. Letter of Application which should address the questions: Why you? Why Fahan? and Why now?
2. A Resume containing:
 - Academic and professional qualifications.
 - Current and previous employment details including teaching and administrative experience.
 - Membership and involvement in Professional Associations.
 - Cultural, sporting and community interests including membership of clubs and societies.
 - A brief statement of your philosophy of education.
 - Names, addresses and telephone numbers of three (3) confidential referees should be included in the application and any testimonial the Applicant desires.
3. Any other information you feel would enhance your application.
4. Applications should reach:

The Principal
Mr Tony Freeman
Fahan School
