Congratulations, your daughter has been selected to represent Fahan at the SSATIS and SATIS Athletic Carnivals. The SSATIS Carnival is being held at the Domain Athletics Centre on **Thursday 6th October** commencing at 10.00am. Your daughter should come to school on this day in Sports Uniform and be at school by 8.30am. Buses will then transport the girls to the Domain in time to warm up ready for the 10.00am start. This year there are 2 new schools competing at the Carnival so the finishing time for the Carnival is unclear. Consequently students will be dismissed from the Domain at the conclusion of the Carnival. **No buses will be returning to Fahan at the end of the day.** Athletics South will be running a canteen on the day but girls should ensure they bring enough food and drink for the whole day. They will also need hats, sunscreen and warm clothing as appropriate.

Fahan has a **new athletic singlet** this year so girls need to purchase this from the Uniform Shop before the Carnival date. Some girls may already have these singlets from rowing or cross country. Girls in Year 12 may still wear the old athletic singlet. The school bike shorts or sports shorts are worn with this singlet. There will be uniform marshalls on the course and any athlete in incorrect uniform will be disqualified from their event so please ensure your daughter is correctly attired. Please note that compression garments (Skins) are not part of the Fahan Athletic register so **may not** be worn.

All members of the Athletics team will also be expected to attend the SATIS Carnival being held here in Hobart, at the Domain, on **Saturday 15th October**. Girls are to be at the Domain Athletic Centre by 9.00am on this day (some girls may need to be there earlier depending on the events they are competing in). All other information is as for the SSATIS Carnival.

All parents and supporters are welcome to attend either Carnival and if there are any parents who could help out as a volunteer official could you please contact Kathy Foster (0428 031 012) or fosterk@fahan.tas.edu.au.

Thanking you
