

Fahan Rowing Christmas Wine Order Form

This range of wines was made by award winning Tasmanian winemaker Julian Alcorso and his team at Winemaking Tasmania Cambridge from specially selected premium Tasmanian grapes from the Coal River Valley region. These cleanskin wines are ready to drink now and served chilled are the perfect accompaniment with food over the summer months. The Pinot Noir can also be cellared. They are fruit driven, easy drinking and demonstrate why Tasmanian wines are winning accolades nationally and internationally.

Cases of wine will be available for collection from The Barn within a week from placing your order.
