

XMAS PUDDING FUNDRAISER

This popular fundraiser is on again. It's the same great pudding made from the highest quality ingredients, cooked by traditional methods and large enough to feed even the biggest family (nearly 1.6 kg). This year the puddings are \$40 and 10% of all sales will be donated back to the school. So be quick to secure yours as every year we sell out.

Place your order in an envelope with payment (either cash or a cheque made payable to b&fee) and drop it into the school office. Your pudding will be available for pick-up from the uniform shop during the last two weeks of school (or earlier by arrangement)
