Dear Parents,

Sale of School Computers & Second Hand Text Books

Due to the roll-over of school computers scheduled for the end of this year, both laptops and limited desktops will be available for purchase. The laptops are the standard 13" inch MacBook and will have the Mac OS X 10.6 (Snow Leopard) standard iLife 09 package only. Specifications: 2GHz intel core 2 duo, 2GB RAM, 120GB hard drive and include wireless and bluetooth. There are five desktop options available, details available upon request. Details of Microsoft packages and iWork can be provided on request but are not part of the sale price.

These will be available for purchase on Thursday 8th December, from 3.30pm to 4.30pm in the Biology Lab. Cash, cheque and credit card payments are accepted. Laptops are \$220 (gst included) and desktops vary in price, depending on age and size.

Second hand texts will also be available for purchase at this time. Only those books on the booklist for Years 7 to 12 are for sale. Students wishing to sell texts and accessories, such as calculators, can bring these to the Science labs from Monday 5th December. Cash payments only for these sales. All proceeds and unsold items will be returned on Monday 12th December.
