15th March 2012

Dear Year 10 Parents,

On Wednesday 18th April, all Year 10 students will attend a Rotary Youth Driver Awareness Day at the Hobart Show Grounds from 9:30am – 2:30pm. This program is sponsored by the Tasmanian Government and Rotary and their generous support means that there is no cost to the student.

Students will all need to bring their lunch and drinks as there is no food purchase available on the site. All students should come to school at the usual time as students and Fahan staff will be transported to and from the venue by buses.

Formal school uniform must be worn to school that day.

Please note

- In one session there will be an emotional video showing the ripple effect of a fatal car crash
- In another session on stopping distances the students will be given the opportunity to be a passenger in a vehicle driven by a licensed driving instructor. Parental permission is required for this. (see below).

All Year 10 girls have been given a brochure with information regarding this programme. Ms Lutzow and Mrs Hogan will be accompanying the girls. The students and staff who attended this event last year found it extremely worthwhile.

Yours sincerely,

Kathy Foster
Deputy Principal
