On Tuesday 4 December the Years 5 and 6 girls will be undertaking Bike Education at Fahan School.

The aims of the program are to teach the girls practical skills they need to ride safely on the road, within a safe learning environment. The girls are taken through a series of training lessons including:

- (a) Cycling skills;
- (b) Safety; and
- (c) Pathway and on-road cycling.

The supervising teachers are David Hodgman and Amanda Beltz and members of the Bike Education Unit.

The Bicycle Education Unit will provide a set of 25+ modern, geared, unisex mountain bikes, coloured vests, helmets and all necessary equipment. The dress is PE gear with a drink bottle.

If your daughter would like to bring her own bike and/or helmet she is more than welcome to do so. They can be brought in on Monday or Tuesday and left in the Year 6 annex.

If you have any questions please don't hesitate to contact us.

Regards

*Amanda Beltz*
