Year 9 Kelvedon Camp

The Year Nine students will be attending the annual Curriculum Camp at our Outdoor Education Centre at Kelvedon, just south of Swansea from Monday 25 February to Friday 1 March. Essentially, the Camp is designed to be a "classroom in the outdoors" experience. Please see the back of this letter for the timetable of activities.

The girls will be leaving from School at 9.00am on Monday morning and returning by 3.30 pm on Friday.

The Outdoor Education Centre provides the girls with tents, composting toilets, solar (bag) showers, all cooking equipment including stoves, pots & pans, utensils, plates, cups and cutlery. **The only equipment the girls need to bring is a sleeping bag, a sleeping mat and a pillow. A clip board, writing paper and pencil case. The girls will also be given a "suggested clothing" list.**

The girls are being divided into cooking groups at school and **these groups need to plan and buy their own food for the five days of the camp.** Each group will need to provide one esky in which to keep perishables. There will be an opportunity to get extra supplies and ice while in Swansea for the history tour on Wednesday. Groups will be allocated during tutor and tutor teachers will check each group's menu for dietary requirements etc. Please keep lollies, chips etc to a minimum.

Can medical forms please be handed in to tutors by **Friday 15 February.**

In case of emergency Gary Gooley (outdoor education co-ordinator) will have the school mobile 0428 031 012.

Please direct any questions about the camp to me at hayesl@fahan.tas.edu.au

Thank you

Liana Hayes
Lumina 9 co-ordinator
