Dear Parents,

Year 9 Science Extended Excursion

On Friday 15 March, the Year 9 Science Extended class will be travelling on an excursion to visit the Warra Forests near Geeveston. The girls will have the opportunity to undertake data collection of forest invertebrates, learn about fire regeneration, visit the Warra Supersite to view research trials and visit the Ta Ann sawmill. We will be leaving school at 8.40am, travelling by school bus, and returning to school at 3.30pm.

Girls will wear full sports uniform. They will need to bring a small bag with their morning tea, lunch, water bottle, hat and a pen. If wet weather is forecast, a waterproof jacket should also be taken.

Please do not hesitate to contact me if you have any queries.

Yours sincerely,

Felicity Jacobs
Science Maths/Science Teacher
