Dear Parents,

### Year 3 Class Inquiry

Year 3 have been very interested in their Inquiry into *Endangered Animals*. One of the things we have discussed during the topic is ways that we can all help to make our planet sustainable and to protect the species of plants and animals that exist on Earth. The girls are very keen to raise money to donate to saving Tasmanian Devils.

After some discussion about the ways we could do this, the class wondered if parents would be prepared to help. Year 3 propose that each of us will donate a small amount of money that we could raise by doing a job at home. As a class we discussed the old idea of a "Bob a Job".

Simply put, the girls will do one job for a sum of money agreed upon by both parties. That money will then be collected at School and donated to the Tasmanian Devils. To celebrate our efforts and make our monetary contribution, we will visit a wildlife park. (More information about this will be sent home in a couple of weeks).

Kind regards,

Tania Gath
