Dear Parents/Guardians,

Year 11 and 12 Futures Event Program at UTAS

An opportunity has been made available for all Year 11 and 12 students to attend a Futures Event Program at the University of Tasmania. The compulsory session will be held on Wednesday 3 July from 8:45am until 12:30pm. The morning event will assist the students to gain valuable information on what the University has to offer and to gain an insight into university life.

As the program commences at the start of the day we ask that the students make their own way to the University where I will meet the girls before moving to the first session of the program. It is important that students are there no later than 8:30am so the morning runs smoothly.

At the conclusion of the event the girls will be collected by Fahan buses and will return to the school. If your daughter is intending to use alternative transport, permission will be considered but I will need this request in writing before next Monday.

If your daughter is unable to find her own way to the University could you please let me know so we can make alternative arrangements for her. I can be contacted through a note in the diary, by email devinek@fahan.tas.edu.au or phoned at school on 6225 1064 during school hours.

Yours sincerely,

Kirsteen Devine
