Dear Parents,

Growing Up Program – Year 2

As you may know, Christy Measham, the school educator from Family Planning Tasmania has been delivering the Growing Up Program at Fahan for a number of years. Christy is an old Fahan girl herself and delivers a wonderful, age appropriate program for our girls.

An opportunity has arisen for Year 2 to participate this year. The Early Childhood Program is delivered to many K-2 students across the state. It focuses on body parts, gender differences and similarities as well as keeping safe and healthy.

The girls partake in two 30 minute sessions in the classroom with Mrs Steel and Christy. This will tie in well with current Inquiry topic "Watch Me Grow".

There will be a parent session in The TM Library (for Year 2 parents) on **Wednesday 7 August at 8.30am** (30 minutes) and the program will run for the students on Wednesday 14 August.

If you have any queries please do not hesitate to contact Mrs Steel or myself.

Yours sincerely,

Amanda Evans
