At Fahan it is important that our students are well supervised and that our grounds and facilities are maintained and available for use during school hours and by Lady Gowrie.

It is for these reasons that the school requests that all students leave the school grounds once the school day ends and siblings have been collected from older grades.

Children may not play in or around Hedgelands after school.

During the school day students are only allowed to play on equipment that is allocated to their class. Our play equipment is designed and allocated for use with student needs in mind.

If your children are using the play equipment between 3.00 and 3.20 pm while waiting for an older sibling, we ask that you support the staff by also ensuring that your children only use the grade appropriate equipment and that you supervise from just a few meters away.

All Junior School students should be collected from school when the school day ends. It is respectfully asked that students and parents vacate the premises at this time.

Further information regarding pick up arrangements can be located on page 21 of the Junior School handbook which is available online.

Thank you in anticipation for your support.

Sincerely,

Amanda Evans
Head of Junior School
