Your daughter has been selected to represent Fahan at the Southern SATIS Athletics Carnival to be held at the Domain Athletics Centre on **Wednesday 25 September** commencing at 9.30am.

Mr Owens has put together a schedule of training sessions to be conducted prior to the Carnival and this is available on Sports Online. All team members should endeavor to attend the sessions dedicated to their events, unless they are engaged in formal training sessions elsewhere.

On the morning of the Carnival, your daughter should come to school in Sports Uniform and be at school by 8.15am. Buses will transport the girls to the Domain in time to warm up prior to competing. Students will be dismissed from the Domain at the conclusion of the Carnival. **No buses will be returning to Fahan at the end of the day.** Athletics South will be running a canteen on the day but girls should ensure they bring enough food and drink for the whole day. They will also need hats, sunscreen and warm clothing, as appropriate.

Team members must wear the **new Fahan athletic singlet**, which may be purchased from the School Shop prior to the Carnival. Most girls should already have a singlet from last year. The school bike shorts or sports shorts are worn with this singlet. Please note, compression garments (skins) are **not** part of the Fahan Athletic uniform. Girls risk disqualification if they are incorrectly attired while competing.

Following the SSATIS Carnival, a team of reduced number will be selected for the SATIS Carnival in Launceston on **Saturday 19 October** (the first Saturday of Term Four). The team will be selected based on performances at the Southern Carnival and a team list will be released soon after that event. A bus will depart Fahan at 5.45am on the morning of the Carnival and will return in the evening at approximately 7.00pm.

All parents and supporters are welcome to attend any of these Carnivals and if there are any parents who could help out as a volunteer official could you please contact me on 0428031012 or gooleyg@fahan.tas.edu.au.

Thank you
