Dear Year 8 Parents,

Lumina 9 Expeditions - 2014

Those of you who attended the Information Evening last Wednesday would be aware of the exciting addition to the Lumina 9 program for next year detailed in the accompanying brochure. The three expeditions, one of which your daughter will be asked to choose, provide a combination of community partnership and environmental engagement.

Your daughter will be required to make a firm commitment to one of the trips early in Term Four. In the meantime, we would like to get an indication of which trip your daughter is likely to choose. This will assist us greatly in our planning.

I would also like to stress again that the prices listed in the brochure are at the high end of what can be expected. Obviously, prices will vary depending on the numbers selecting each trip. For example, three adults will accompany the Timor Leste trip, regardless of the number of students travelling, so a smaller group will mean a higher price.

In order to obtain an initial indication of interest, would you please fill out the form overleaf, ranking the expeditions in order of your current preferences. Your selections will not be binding. **Please return the form to your daughter's tutor by Friday 6 September.** This is the same day that Electives choices are due in to Mrs Foster.

Thank you,

Gary Gooley
Outdoor Education Coordinator
