Excursion to UTAS Science Fair

On Tuesday 3 September, Year 4 has an excursion to UTAS Science Fair at the Activities Centre, UTAS Sandy Bay campus. The girls have the chance to find out what it is like to work as a scientist! They take part in three different inquiry based activities under the guidance of University staff and students.

The Faculty of Science, Engineering & Technology and the Faculty of Education as part of National Science Week will present the UTAS Science Fair.

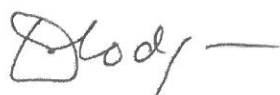

The itinerary for the excursion is as follows:

Times	Activities
11:00 am	Depart Fahan
11:15 am	Arrive at Activities Centre, UTAS Sandy Bay campus
12:45 pm	Depart UTAS and arrive back for a late lunch

The girls do not need to bring anything special but will need to wear their winter uniform.

I will be supervising the excursion and if any parents wish to join us, please put a note in your daughter's diary to say that you would like to attend.

Regards

David Hodgman
Year 4 Teacher
