Dear Parent/Guardian,

Morrisby Report

The Morrisby Report has helped many people plan and realise their future careers. It can assist with discovering career aspirations and helps people every year understand how their unique qualities can offer insights into future choices.

Through scientific assessment of abilities, innovative questionnaires and web-based resources Morrisby will help discover where your daughter's strengths lie, what they like doing, their planning style and approach to work, how they solve problems and what motivates them.

Fahan is offering this resource to students, to support them in answering the hard questions: What would I be good at, what would interest me, and what career would I enjoy most?

As you can appreciate the data collection and the analysis of the data does carry a cost and as such we have not made this resource compulsory.

Date: Friday, 20 September
(Quality Assurance Day – no disruptions to classes)
Room: 11
Cost: \$ 100
Time: 9.00am – 1.00pm (allow for 3-4 hours this includes a break)

After the session a report is produced – one for your daughter and an abridged version for the school advisor. There are three teachers at Fahan who have undertaken training for Morrisby. The teacher and your daughter will then have an opportunity to meet, read over the report together and discuss the results.

If you would like your daughter to take part please return the slip below with full payment of \$100 to the Front Office by Monday 16 September. For further information please contact myself or Kathy Foster during school hours.

Yours sincerely,

Kirsteen Devine
Careers Advisor
