Year One Excursion

As part of our Term 4 science program, Year One will be visiting the CSIRO Little Learner's Lab at Mount Nelson on Thursday 17 October, to explore and play with the many experiments they have on offer. The girls will have a chance to do hands-on activities that focus on many different concepts such as, light and sound.

We will leave school at 9.00am and return by 11.00am.

Parents are most welcome to join us for this excursion and become scientists for the morning.

Yours sincerely,

Felicity Allison
Year 1 Teacher
