### **Year 9 Camp Postponed**

In consultation with Mr Freeman and Mrs Foster, I have decided to postpone the Year 9 Camp scheduled to commence tomorrow. The Camp will now take place from Monday 25 until Thursday 28 November.

This decision was taken because the current Bureau of Meteorology forecast for the East Coast on Tuesday, Wednesday and Thursday is for significant rain. The Bureau is forecasting up to 20mm of rain on each day. If this does eventuate the abseiling and canoeing activities would not be possible and the girls would probably spend 3 days confined to their tents.

While I realise weather forecasts do not always eventuate, a decision had to be made one way or the other. Hopefully, we will get better conditions in two weeks time and the girls will be able to enjoy the outdoor activities that have been organised.

I also realise that most girls have already prepared their food for the camp and that this is a significant inconvenience for families. Obviously, fresh food will need to be used now but most processed foods should still be able to be used in two weeks time.

Please do not hesitate to contact me if you have any questions about these arrangements.

My apologies for an inconvenience these changes have caused.

Yours sincerely,

Gary Gooley  
Outdoor Education Coordinator
