Throughout the year our business class have been learning about different concepts and ideas in the commercial world. We have dealt with the complexities of businesses which culminated in producing business plans. In the final term we decided to apply this knowledge in a practical way. As a class we discussed several options for our enterprise and decided on producing cards.

As the year comes to a close and we approach the festive season we decided to use this as a central theme for the cards, asking those who wished to submit pieces to illustrate what Christmas meant to them. Our desire was to produce a product that would showcase talents within the school and from numerous entries our final 12 designs were chosen which are displayed.

If you would like to purchase a set of Christmas Cards you can do this at the School Front Office or by placing an order on the form below. If you place an order please return it with the correct money to your child's Class Teacher/Tutor by Friday 29 November 2013. There is limited stock and orders will take priority.

The cards will be delivered to your child's classroom.

Thank you for supporting the Business Studies project.

Year 9 Business Studies

✂.....
