We are very excited to invite you to order copies of the Prep reading books. The Year 9 Computing students have been working hard over the last two terms to finish their books. They have really enjoyed their time with the Prep girls, taking all the photos, planning, writing and designing all aspects of the readers. The books have been written for your daughters and they are about their time at Fahan. They are designed to encourage the girls to read with you and share their experiences at school.

A proof copy of the books is available to view in the classroom. The final print will be organised next week.

This year the students have also created a free version of the book that is available on the Apple Book Store. They can be downloaded on all Apple devices by searching for the titles below in iBooks.

Please return the form below (with payment) by Wednesday December 4 if you would like a copy of a book. The timeframe is very short in order to have the books ready for collection from the office before the end of the year.

Kind regards,
Helen Stephen and Jane Macrossan
