Your daughter may have mentioned that we intend to do some cooking between now and the end of the year in the Year Six kitchen. 6H will cook in terms 1 and 3 and 6E in terms 2 and 4

Each week two girls will have the opportunity to present a recipe to the class and later in the week cook their chosen recipe. Basic ingredients will be available in the classroom.

This is a wonderful opportunity for the girls to display or develop their culinary expertise and to also incorporate some mathematics and literacy in a practical way.

Participation in this activity is optional and further details will be discussed during class time.

Kind regards,

Amanda Evans Ingrid Heather
