This is notification that your daughter's class will be undertaking a 2 week introduction to surfing program as a component of their Health and Physical Education curriculum. The program provider is Coastrider Surf Academy. They use accredited coaches and who are also certified in CPR and rescue. Fahan has successfully worked with Coastrider in the past.

The program is very much an introduction for those who have no experience and an opportunity for further coaching for those who have surfed previously. Each girl will participate at a level with which they feel comfortable. All girls will undergo basic training and be briefed on safety requirements, before they commence their time in the water.

Coastrider will provide training boards and wetsuits but if your daughter wishes to use her own wetsuit she can. **We will not be able to transport boards.**

Venue: TBA (most likely Clifton Beach)

Dates: Monday, 24 February and Monday 3 March

Time: Depart. School at 10.15am and returning by 1.15pm

Girls need to bring: Towel, bathers, bag for wet clothing, water, lunch to eat on the bus, sunscreen, sun hat, thongs/sandals for beach. They should wear their sports uniform to and from the beach.

This has been a very popular and successful component of our program over the last decade and I am looking forward to the girls enjoying this experience. I will accompany the class to each session. If you have any questions please don't hesitate to contact me at school by telephone or by email at dalet@fahan.tas.edu.au

Yours sincerely,

Tim Dale
Physical Education Teacher
